Mr. Steve Summerlin
Mr. Tyler Skinner
Southeast Dirt Modified Series

Subject: Race Tire scans on samples submitted on March 28,2016 by Southeast Dirt Modified Series. Blue Ridge Labs received two samples for Race Tire scans on tires identified by evidence bag number and type of tire. Samples were received in good condition in sealed evidence bags.

Summary of Race Tire Analysis:

BRL LSID	Customer ID	Tire ID	Results
16-0774	1277510	Hoosier Med	Conforms with benchmark
16-0775	1277515	Hoosier Soft	Conforms with benchmark

I appreciate the opportunity to provide tire analysis for your series.

Sincerely,

Kim Johnson
